

# IBEW 258 NEXTGEN

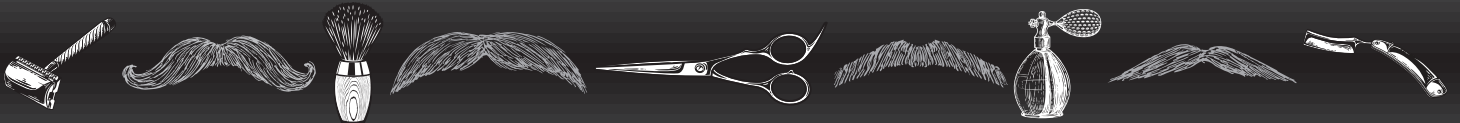

## Movember Fundraiser

### Did you know?

- 3 out of 4 suicides are men worldwide
- 1 in 7 Canadian men will be diagnosed with prostate cancer in their lifetime
- Testicular cancer is the most common cancer among young men but 1 out of 2 don't know how to check for it

The Movember Foundation wants to change the stats but they need our help —  
Mo Bro, Mo Sista, and Non-Binary Mo alike; and so...

IBEW 258 NEXTGEN will be hosting a **Moustache Competition** this November in support of men's health.
